August 2022 - News

Our hope is that our newsletter continues to find everyone in good health. We have all weathered some pretty tough times. We are continuing to serve the Lord locally and abroad with 1.21 wristbands and testimony cards and continue to receive positive feedback. Doors continue to open up in Germany, Canada, England and Ukraine for wristbands and cards and countries we continue to send to like India and Indonesia.

The City of Palm Coast where we live has a children's memorial which contains remembrance stones for families that have lost children. We were encouraged by friends to place a remembrance stone for Jeremy. We worked with a few friends and came up with the following in the photo on the back page. Private funds were used for this purchase.

During this timeframe January - July - 1.21 has helped in the following ways sharing the gospel:

- *Over 3,800 wristbands and cards were mailed in the US and overseas.
- *A pastor we have worked in India needed help for widows in his congregation.
- *An artificial leg was provided to a needed pastor in India.
- *Vacation Bible School material was provided to a pastor in India.
- *Silvana a friend in Indonesia an amazing evangelist to her country and she makes continuous travels to small villages using 1.21 to share the gospel.
- *Lighthouse Church in Alaska used Jeremy's cards and bands for ministry.
- *Bibles in Telugu language purchased in India and delivered to the pastor.

"An Indian pastor shared the following - I am serving God since 2005, my dad also a pastor for the past 45 years. Pastor Ruth Earnshaw & Darry Earnshaw gave us lot of encouragement on behalf of their 1:21 Ministry by providing us Wrist Bands, Handouts and Bibles in Telugu & English languages. Through this 1:21 Ministry we distributed hundreds of Bibles to the needy, mostly who are not capable to purchase the Word of God. Praise the Lord and thank you very much to them, for their wonderful help to us. Not only us, they serving many nations for the sake of "Great Commission. In the memorial of his son Jeremy Earnshaw. We really appreciate the help."

We won't make this a long newsletter but the purpose is for you to know that we appreciate your prayers and your donations. Any donations received are used to spread the gospel. We have included a few photos. The first one is in India, second in Germany and the final the Memorial Garden here in Palm Coast.

Donations can be mailed to the address above or in the enclosed envelope or pay pal at one21ministry@yahoo.com. Love to all - Ruth and Darryl and the 1.21 Board
